This historical big Majorcan manor Sa Vinya from the 18th century on a 100,000 m2 plot (estate) was still used as a scenic property two years ago. The building was totally cored this year. The floors were removed and the roof completely renewed. Plans are to change the manor into a big private villa. The planning for a 1,500 m2 living area is: a large sitting room, a dining room, a snooker room, a cinema, 8 double bedrooms with bathroom en-suite, a kitchen and staff quarters. Two swimming pools. The buyer can alterate these plans in due course. The finca has electricity, telephone and its own well. Many orange trees and flat, clear and manageable range land. Ideal for keeping animals.

The manor is at 20 minutes from Palma and the schools.
